BEECHWOOD RISK ADVISORY + TMPM

Risk & Assurance Diagnostic

Specialist risk insight, stronger governance and practical improvement.

Our partnership brings risk, assurance and transformation expertise together for NHS trusts and public-sector organisations.

A focused, two-week review

Clear findings, practical recommendations and a prioritised enhancement plan, alongside improved awareness and risk culture. Scope is tailored to the organisation.

Seven areas of review

01-04 Risk and assurance

Risk management maturity.

Board Assurance Framework.

Risk identification and the risk register.

BAF implementation effectiveness.

05-07 Controls and culture

Control effectiveness.

Reporting and governance.

Risk culture and awareness.

What the partnership brings

Risk and assurance diagnostics; governance and control reviews; improvement planning; and expert support tailored to your organisation.

INTRODUCING DAN & CHRIS

The expertise behind the review

A partnership built on insight, assurance and lasting impact.

Dan | Beechwood Risk Advisory

25 years across risk, analytics and transformation, including work with major financial institutions and regulated organisations internationally.

Specialist expertise in risk appetite, policy, reporting, stress testing and regulatory transformation. Experienced in working directly with boards, executives and regulators.

Brings governance, assurance and strategic risk expertise to complex programmes.

Chris | TMPM Healthcare Transformation

20+ years leading change across the NHS, local government and public health.

The published partnership profile records 25+ major programmes, £75m+ in cumulative budgets managed and more than £11m in savings and efficiency improvements.

Expertise in mental health, adult social care, commissioning and governance, combining strategic leadership, system thinking and hands-on delivery.

Figures describe the experience reported in the source partnership profile. Budgets managed and savings are distinct measures.
