TMPM TRANSFORMATION & IMPROVEMENT / P3

# Capability Transfer

Sustain gains, scale what works and own improvement.

**TMPM Performance Suite | 3-6 MONTHS**

## Who it is for

Systems that have made initial gains and now need to sustain performance internally. For leaders, service managers and transformation teams reducing reliance on external support.

## How we help

Coach leaders and teams in practical delivery disciplines. Embed daily, weekly and monthly routines and simple demand, flow and outcome tools. Hand over governance, performance and delivery ownership.

## What you leave with

**Leadership confidence.** A clear view of performance, risk and priorities.

**Useful routines.** Consistent daily, weekly and monthly management disciplines.

**Skilled teams.** The confidence to manage complexity and lead change.

**Lasting ownership.** Tools, skills and an operating model for continuous improvement.

Scope, timing, responsibilities and success measures are agreed for each engagement.

## Talk to TMPM

Discuss your priorities and agree a practical starting point.
